Get Financial Assistance

We offer a financial assistance program to help further reduce costs for patients in need. Our program is based on household income, number of people in your household, and other federal guidelines. To find out if you qualify, use the cost estimator on our website: genesight.com/cost, or scan the QR code.

Due to regulatory limitations, people who carry federally funded health insurance such as Medicare, Medicare Advantage, Medicaid, TRICARE[®], and VA are not eligible for financial assistance.

Ask About Our Interest-Free Payment Plan

If your cost is \$100 or more, we offer an interest-free payment plan that allows you to spread out your cost over multiple months.

Reduced Self-Pay

All patients are eligible for the reduced self-pay option of \$330. Self-pay may be the most affordable option for patients whose out-of-pocket cost is estimated to be higher than \$330, for those whose insurance does not cover the GeneSight test, or for those without insurance.

How the Billing Process Works

BILLING INSURANCE TAKES TIME

It will likely be several months before you receive a bill from us. We'll keep you informed along the way.

1 We Receive Your Sample
When we receive your sample, we will confirm your cost. If it's more than \$330, we will contact you before processing your test.

2 We Bill Insurance
We process your test and submit a claim to your insurance company.

3 You May Qualify for Our Financial Assistance Program
For more information, and to apply, visit myriad.com/fap.

4 You May Receive an Explanation of Benefits (EOB) From Your Insurance Company
Your insurance company will process your claim, and they may send you an EOB.
This is not a bill.

5 You Receive Your Bill From GeneSight
Once your insurance claim is completed, we will send you a statement of what you owe. You can pay online, by phone, or by mail.
