

Does mental health treatment feel "one-size-fits-all"?

WE ASKED:

What was your **past** experience with prescribed mental health medication?

AMERICANS DIAGNOSED WITH DEPRESSION AND/OR ANXIETY WHO HAVE TAKEN A MENTAL HEALTH MEDICATION

AGREE OR DISAGREE?

Mental health medication today feels **"one-size-fits-all."**

those **currently taking** medication

those **still searching** for medication that works

AMERICANS DIAGNOSED WITH DEPRESSION AND/OR ANXIETY

AGREE OR DISAGREE?

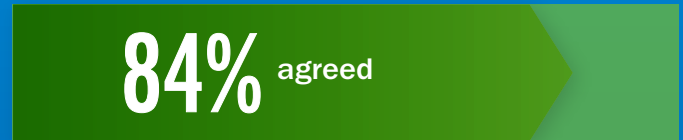

I feel like the **healthcare system** treats me like part of an **"assembly line,"** not an **individual with unique needs.**

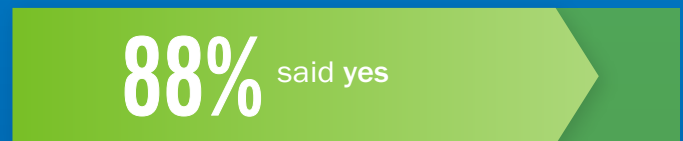

OF AMERICANS SURVEYED DIAGNOSED WITH DEPRESSION AND/OR ANXIETY

AGREE OR DISAGREE?

Prescribed mental health medication should be **personalized.**

Would you be more **confident** in your mental health care plan if it were more **personalized** to you?

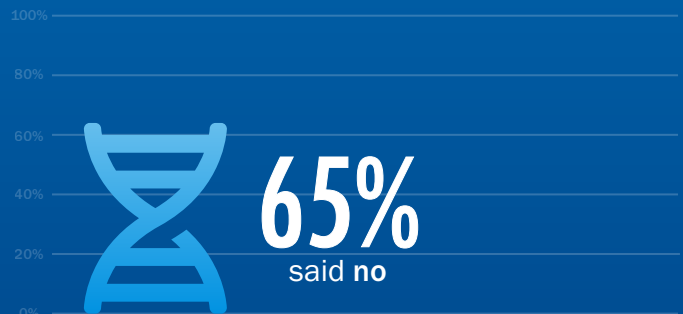

OF AMERICANS SURVEYED

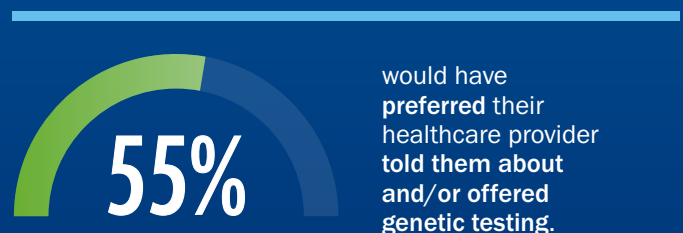

AMERICANS DIAGNOSED WITH DEPRESSION AND/OR ANXIETY

WE ASKED:

Before today, were you aware that **genetic testing** can be used in decisions about **depression/anxiety medication**?
